SUMMER TRAINING INTERNSHIP

Intern at W3elites (Flames 24 - Angaar Batch) **June 2024 - July 2024**
Role - Web Developer *Remote/Phagwara, Punjab*

- **Role:** Worked as a Full Stack Web Developer where I was responsible for developing and maintaining the official **LPU NCC Website**.
- **Action:** Built key features like registration, navigation, and photo slider using **MERN stack** and **Bootstrap**, ensuring responsiveness and clean UI across devices.
- **Outcome:** Successfully deployed the fully responsive and interactive website on **Render**, improving accessibility and user engagement.

PROJECTS

Indian Army Website | MERN Stack (MongoDB, Express, React, Node.js) **November 2024**

- **Role:** Developed a full-stack responsive website using MERN Stack, hosted live on Render.
- **Action:** Integrated CAPTCHA login, built gallery, war history, awards, and shop module with smooth navigation and interactive UI.
- **Outcome:** Launched a secure and informative platform with better accessibility and seamless user experience.

Hostel Management System | PHP, MySQL, HTML, CSS, JavaScript **September 2024**

- **Role:** Built a web-based system to manage hostel operations like room allocation and fee collection.
- **Action:** Added complaint tracking, dashboards, and managed backend data with MySQL for secure performance.
- **Outcome:** Streamlined hostel processes, improved issue tracking and ensured real-time operational updates.
